HELPFUL HINTS

SAVE MONEY

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by December 9, 2021.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation.

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 *booth structure*

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 *carpet*

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 *shipping*

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 *graphics*

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 *printing*

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

MOVE OUT

train your team

Educate your installation and dismantling teams about **recycling and donation processes**.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation** about **joining a caravan** to your next show.

leftover materials

Remember to label.

Clearly **label recyclable leftover material** for disposal.

Donate the rest.

Ask the Freeman Exhibitors Services desk about local donation programs.

WHAT ARE FREIGHT SERVICES?

.....

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman's carrier choice or delivered back to the warehouse at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

ACCEPTABLE FILE TYPES and SUPPORT FILES

NATIVE FILES:

- AI (CS6, CS5, CS4...) file with embedded links and outlined fonts
- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:

- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK

UNION JURISDICTIONS FOR THE TEXAS LOCAL UNIONS

THE FOLLOWING GUIDELINES APPLY IN THE TEXAS REGION:

We are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction that the various unions have, we ask that you read the following:

ELECTRICAL LABOR & PLUMBING

Responsible for the installation and distribution of all electrical outlets, cables and distribution equipment. This includes extension cords installed under carpet or any other type of flooring. Freeman is responsible for any hardwiring of equipment to installed electrical cables or disconnecting devices. Exhibitors are permitted to install their own lights, monitors, and other A/V equipment.

Freeman is responsible for the installation and distribution of all water lines and the filling and draining of all water tanks. Exhibitors are permitted to connect their equipment to the lines installed by Freeman.

MATERIAL HANDLING LOCAL UNION LABOR

The Local Union has jurisdiction for the operation of all material-handling equipment, all unloading and reloading, and the handling of empty containers.

Exhibitors may unload their own personal vehicles provided they do not use any material handling equipment (fork-lifts, flatbeds, dollies, pallet jacks, etc.)

Freeman will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

INSTALLATION & DISMANTLE LABOR - LOCAL UNION LABOR

The Local Union has jurisdiction for the installation and dismantling of all exhibits including carpet, furniture, and hanging signs. All hired labor must belong to Local Union. Labor can be ordered in advance by returning the enclosed form, or on showsite, at the Freeman Service Desk.

Three options for installation and dismantle labor exist in Texas. Labor may be:

- performed by full-time employees of the exhibiting company; or
- hired through Freeman, the official general service contractor; or
- hired through an exhibitor-appointed contractor.

PLEASE NOTE:

- Please do not tip any employee. Do not give coffee breaks, for union employees have a fifteen minute paid break mid-morning and mid-afternoon. Any attempt by an employee to solicit a gratuity for any service should be reported immediately to Freeman and/or Exhibit Management. Union employees are paid a good wage scale, and tipping is strongly discouraged and is not an accepted policy of any Official Service Supplier.
- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of Freeman. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the appropriate Freeman Service Center and discuss it with the person in charge.

LET US DO THE HEAVY LIFTING

Freeman specialists are ready to assist you with all of your exhibit requests, from beginning to end. And when it comes to installing and dismantling exhibits, we make no exceptions. Whether it's shipping and storage, emergency on-site repairs, basic installation and dismantling or support service coordination, including electrical, furnishings and more, Freeman has the resources and capabilities to ensure the most successful show experience possible.

Call customer service at the number listed on the Quick Facts. For fast, easy ordering, go to www.freeman.com
